 Made in the USA

EFFIZIENT

Gain Efficiency in Material Handling

MaxShelf utilizes the entire overhead space above our 32" deep opti carts.

Benefits:

- Maximizes back-room holding capacity
- Customizable in height and width to utilize utmost vertical storage space
- Ability to keep back-room sanitation compliant
- Keeps aisles & exits clear of merchandise
- Product can not get "lost" behind shelves
- Wire shelves provide visibility
- Gravity-flow shelves available
- Tested and rated for 2,500 lb. per shelf
- Easy to install
