Step 6 – Stand in front of the cart.
(The front is designated by a label on the base.)

Step 7 – Hold the divider in such way that the hook end

is away from you, and the “U-snap” end is closest to you

Hook the divider to the cross bar on the opposite end of the shelf. Snap the “U-snap” onto the cross bar in the front of the shelf. (See picture.)

Step 8 – Install dividers on all remaining shelves.
