Gain Efficiency in Material Handling

The **opti cage** was developed for the secure shipping and storage of high-value merchandise as well as high-theft products. This lockable, heavy duty cage protects your items from unauthorized access while keeping it visible for quick replenishment.

## Benefits:

- Available in 23" and 28" width
- Available with one or two doors
- Electronic, and remote controlled locks available
- Shelf heights adjustable in 2" increments
- Different caster configurations available
- Compact design for in-aisle maneuverability
- Comprehensive two year warranty
- Ships fully assembled
